

BEFORE THE SCREEN, *GIVE THEM TEN.*

They've been away from you all day.
Before the screen, give them ten minutes of real connection.

Connection looks different for every child

MOVE

wrestle, play, run

CONNECT

cuddle, sit close,
be present

RESET

snack, drink,
quiet time

TALK

listen, ask,
let them share

*The goal isn't to keep them entertained.
It's to help them come home.*

Back To The Child
No blame. No shame. No sides.
