

When I Own a Mistake

When I own a mistake, I teach my child:

1 Being wrong
doesn't have to
mean shame

2 Responsibility
doesn't make
you weak

3 Apologies
can be safe

4 Repair
matters

5 You can learn
and come back

♥ Owing a mistake makes safety grow. ♥

They're not just hearing your apology.
They're learning what accountability looks like.
